

# HOW TO USE KAHOOT

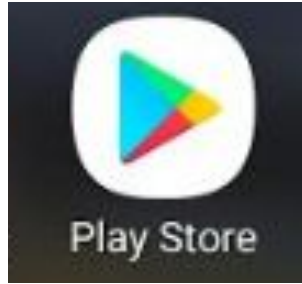

**Parent and Carers guide**

**This is an example of how to use Kahoot to access  
game pins shared by teachers.**

**You can use the site to find or create your own quiz  
for your child if you feel they may need additional  
support in a certain subject area or just for fun.**

# FIRSTLY, ACCESS YOUR APP STORE...

Samsung/ Android devices

Click onto the app store icon  
on your android

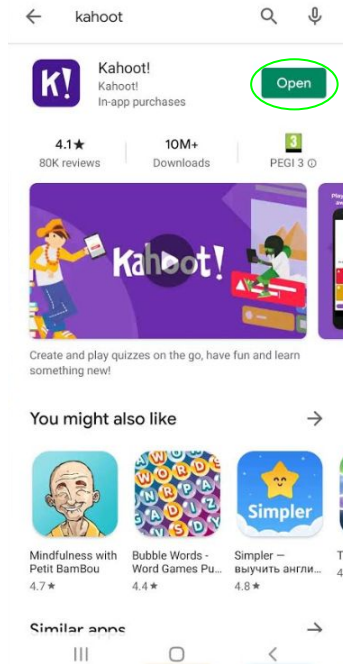

Apple devices

Click onto the app store icon on your  
iPhone

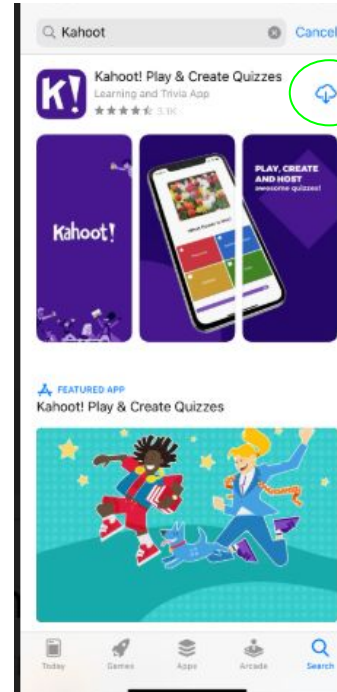

## Samsung/ Android

Search 'Kahoot' on the app store and download, then open.

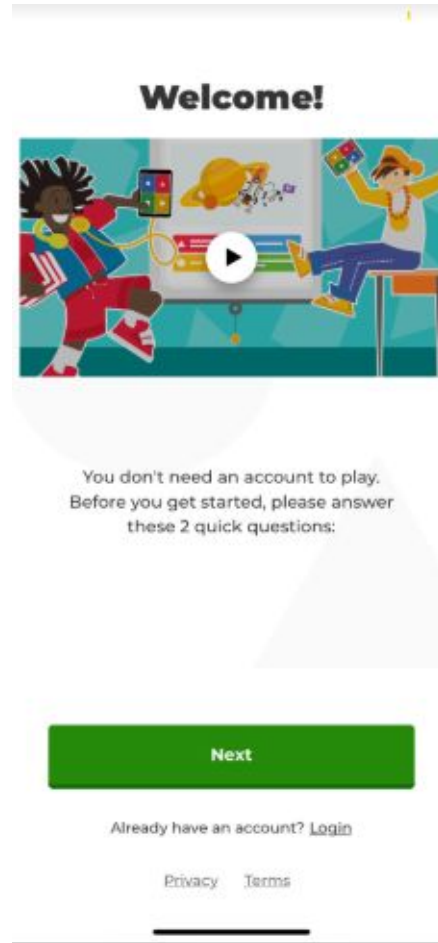

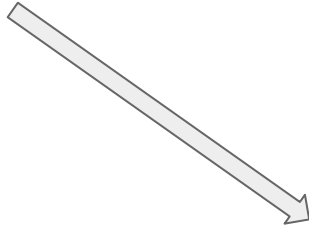

## Apple

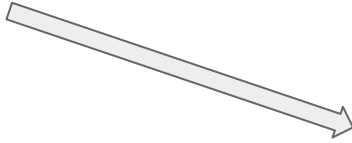

On the app on the iPhone then type into the search bar at the top 'Kahoot' and download it by pressing this button

When you open 'Kahoot' via the app it will lead you to this screen. You do not need to log in so just click 'Next'

You will then be asked to choose if you are using Kahoot as a teacher, student or for work or socially. Click on 'As a Student' which is the blue box.

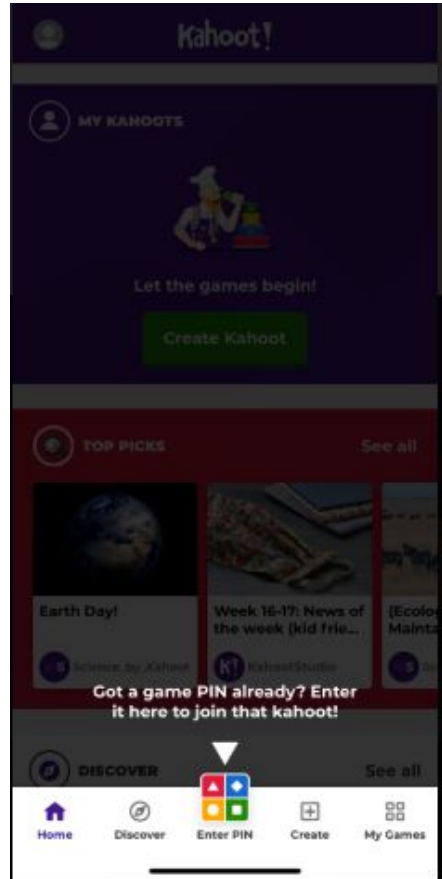

You will then be asked to enter in the age of the child using it and then click on the 'OK' button.

**Question 2 of 2**  
How old are you?

1	2 ABC	3 DEF
4 GHI	5 JKL	6 MNO
7 PQRS	8 TUV	9 WXYZ
0		< X

You will then see this screen which highlights the 'Game PIN' button for you. Click on this button.

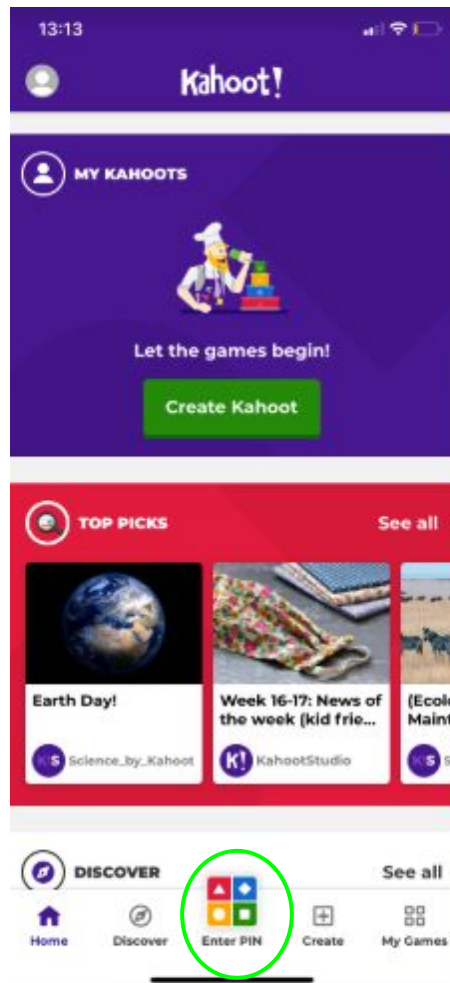

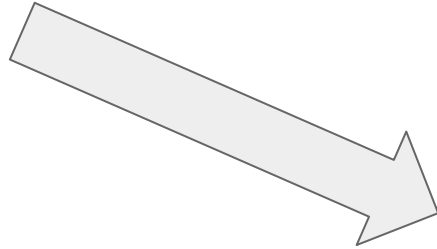

Now enter into  
the box what  
PIN the staff  
have given you.

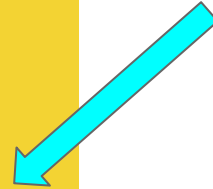

Next time you open the Kahoot! app this is what it will look like. Just click on the Game PIN button to be able to enter in a different PIN.

# Kahoot!
